

## **Holdenville Public Schools**

(405) 379-5483 • 210 Grimes, Holdenville, OK 74848 • Randy Davenport, Superintendent

---

Holdenville Schools continues to monitor information from the CDC and the State Health Department about the COVID-19 virus. As of late Monday afternoon, the Oklahoma State Department Board of Education, approved the authorization for schools to be closed until April 6, 2020.

Due to this authorization, Holdenville School District is closed until April 6, 2020. This will include all school activities associated with the school district until further notice. The District is working with the State Department of Education on guidelines for being able to serve student meals during this time. A complete list of meal pick-up locations will be announced within the next few days.

We encourage each of you to take precautions for safety and health reasons due to the COVID-19 virus during these trying times.

Holdenville Schools will continue to keep you updated on any changes through the State department of Education and the State Department of Health that will affect our district.
