### **RETURN TO IN-PERSON LEARNING**

Tuesday, February 23, 2021

Dear Holdenville Students, Parents, Staff and Community;

Holdenville Schools will resume to in-person learning Wednesday, February 24, 2021 for Reed Elementary and Thomas Intermediate sites. Due to leaks in the fire suppression system, the High School will continue with virtual learning until further notice. The sites will be on our regular schedule. Buses will run at regular times for students.

Meals for the High School students will be served at the High School cafeteria. All other sites will be serving breakfast and lunch at regular times.
